FLOWBANK

WHO WE ARE

The name 'FlowBank' is inspired by 'Flow', a state of intense concentration and focus. This mirrors the drive and dedication of a motivated investor.

At the heart of FlowBank is a visionary spirit, fueled by passion and an entrepreneurial drive. Since its inception in 2020, the bank has sought to bridge the gap between everyday individuals and the financial markets. By merging financial technology with the security of Swiss banking, FlowBank aims to become a beacon of financial empowerment. Serving a diverse clientele ranging from individual retail investors to corporate entities, FlowBank stands firm in its commitment to innovation, trust, and excellence.

FLOWBANK TAKES PRIDE IN OFFERING COMPETITIVE PRICING AND INNOVATIVE TRADING PLATFORMS WHILE REMAINING DEDICATED TO ENHANCING THE OVERALL CLIENT EXPERIENCE. FLOWBANK'S COMMITMENT GOES BEYOND TRANSACTIONS; IT INVOLVES EMPOWERING CLIENTS FOR LONG-TERM SUCCESS AND ENDURING SATISFACTION.

FlowBank will always remain committed to you, to our clients, in our mission to redefine financial accessibility, and create a banking experience that understands your needs.

Charles Henri Sabet
Founder and CEO FlowBank

Our vision

To create the first connected bank that will offer its clients the opportunity to invest, trade, and share their expertise. Each client can learn from the experiences of others.

Our mission

To provide everyone with access to trading, saving, and banking services in an intuitive and transparent way.
